Experience

Big Human
New York, NY
Aug 2017 – Present

Design I

Designing various sites, apps, and digital products—both client-based and internal. Handling product design as well as branding and animation.

Big Human
New York, NY
May 2017 – Aug 2017

Design Intern

Worked on internal projects—tackled product design, branding, and animation. Collaborated with PMs, developers, and other designers on client projects.

Michael Graves College
Union, NJ
Dec 2016 – May 2017

Developer & Student Researcher

Collaborated with professors and colleagues on a research initiative to build a responsive web-based tool that showcased senior design student work and connected design graduates to professionals.

Aardvark Brigade
Somerset, NJ
Jun 2016 – Aug 2016

Design Intern

Worked within a small team of designers and developers on a variety of web & digital projects. Led the creation of an internal customer feedback tool.
